

There'll Be Blossoms To Bless This Year

Walter Miller Farm Ceremony Opens Festival Week Tomorrow

Blessing of the Blossoms, Key to the Cities tour, Kiddies Parade, Grand Floral Parade. These and other events make up Blossomtime, 1973, which opens tomorrow with the annual ceremony asking the Creator for a bountiful harvest.

The Blessing of the Blossoms will be held at 3 p.m. Sunday on

the Walter Miller farm, Napier and Hillandale roads, Benton township.

Mother Nature has draped the landscape with an abundance of blossoms — a pleasant contrast to last year when there was zero per cent chance of blossoms.

Blossoms are likely to be in scant supply on the immediate

site of the ceremony. The Miller farm reported Friday all fruit trees are in bloom, except apples. The Blessing of the Blossoms is held in an apple orchard.

But some of southwestern Michigan's fairest flowers will be very evident. Debbie Zemke of Bridgman, Miss Blossom-

time, and her court of 27 other community queens will attend the service which will be conducted by area clergymen of various faiths. Music will be by the concert choir of Lake Michigan college, directed by Jean Bartz, and the LMC brass ensemble, directed by Dr. Donald Moely.

After Blossomtime is opened by the traditional nondenominational service, Miss Blossomtime and her court will head into an activity packed week — starting with the Key to the Cities tour Monday through Friday and ending late Saturday with the Grand Floral Ball.

The purpose of the Key to the Cities tour is to spread the message of Blossomtime throughout the area and give every queen an opportunity for a royal greeting from her constituents.

The schedules are rather exacting because people in one town don't like to be kept waiting by a prolonged ceremony in another. The queens have to be returned to the point of origin in Benton Harbor on schedule so they can participate in other Blossomtime events.

Schedule for the Key to the Cities tour with arrival times:

Monday—9 a.m. queens arrive at Travel Inn in Benton Harbor; 11:20 Mattawan (lunch); 1:05 Lawton; 1:55 Gobles; 2:35 Bloomingdale; 3:30

BLOSSOMS ARE A SAFE BET SUNDAY: Unless there is some sort of disaster there will be blossoms for the Blessing of the Blossoms Sunday as buds are about two weeks ahead of schedule. However, the actual site for the ceremony may be flowerless because it's in an apple orchard on the Walter Miller farm, Napier and Hillandale roads, Benton township. And apples are late bloomers. Admiring the beauty of a peach tree are

participating clergymen, the president of Blossomtime, Inc. and a friendly resident of Miller farm. From left: Rev. Thomas Keizer, Fairplain Presbyterian church; Rev. Ellis Marshburn, First Presbyterian, Benton Harbor; Rev. Eugene Sears, St. Bernard's Catholic, Fairplain; and James Barrieklow, Blossomtime president. Nixon Alone At Camp David To Mull Watergate Action

WASHINGTON (AP) — President Nixon was alone in the seclusion of his mountaintop retreat today, apparently to

chart a course through the grave problems the Watergate revelations are bringing his administration.

He made the short-notice flight to Camp David, Md., late Friday a few hours after naming a temporary successor to L. Patrick Gray III who resigned under fire as head of the FBI.

His embattled aides, domestic adviser John Ehrlichman and chief of staff H. R. Haldeman—frequent companions on such problem-solving trips—remained behind amidst reports they are fighting for their jobs.

In a freakish turn, the Watergate case threatened to disrupt the Pentagon Papers' trial of Daniel Ellsberg and Anthony

Russo in Los Angeles, with the disclosure by the Justice Department that it had received a report that two Watergate conspirators burglarized the office of Ellsberg's psychiatrist for his files.

The appointment of William D. Ruckelshaus, to serve as acting head of the FBI until a permanent successor can be found, climaxed an event-filled day in the tangled Watergate aftermath that saw these developments:

—Gray, the acting FBI director who had already withdrawn his nomination for permanent chief, quit "to preserve in both image and fact the reputation, the integrity and the effectiveness of the FBI." The

resignation followed disclosure that he destroyed documents from the safe of convicted Watergate conspirator E. Howard

MRS. ANNE LOIKITS
An Honest Face

Set Your Clock AHEAD!

Remember to move your clocks and watches ahead one hour tonight.

Southwestern Michigan goes onto Daylight Saving time as of 2 a.m. Sunday, along with all the rest of Michigan.

Fast time returns as result of the statewide referendum last November in which a majority of Michigan voters agreed to put the state under the Federal Uniform Time Act of 1966.

Michigan, Arizona and Hawaii had been the only holdouts against the act that provides for fast time each year from late April to late October.

A proposal now before the U.S. Department of Transportation to transfer Berrien, Van Buren and Cass counties to the Central Time zone will have no effect on tonight's

time change. The time zone issue will be decided by the DOT at a later time.

Nearby South Bend, Ind., which has stayed on the same time as this area for many years will officially fall an hour behind. South Bend is one of 80 Hoosier counties that will remain on Eastern Standard Time and will not move their clocks ahead. Another 12 Indiana counties along the western side of that state are in the Central Time zone and will observe fast time for the summer. This will put all of Indiana on the same time.

Four counties in Michigan's Upper Peninsula were transferred from the Eastern to the Central time zone recently. The four counties, Gogebic, Iron, Dickinson and Menominee, all border on Wisconsin. They will go on fast time, too, but in the Central zone.

of the county courthouse from her coffee break, when she spotted an Inter-City bank envelope by a pay phone.

She found that the envelope contained \$117 in cash and a candy sucker, but no one around claimed it.

She then took the envelope in-

to her office, where she typed a note explaining that some money had been found and posted the note back by the pay phone.

Mrs. Loikits, also informed the Child Support office, across from the pay phones, and notified Inter-City bank of the find.

After a period of time, Ron Piehl of the Benton Harbor police department, spotted a woman crying in the hallway by District court. The woman told Piehl she had lost some money and Piehl asked her to check with the nearby Child Support office to see if anybody had turned it in.

When the woman did, she learned that Mrs. Loikits had found some money and the woman was sent to her office.

"The lady was pretty shook up when she came in here," Mrs. Loikits said, "but she identified the type of bank envelope, the exact amount of money that was in it, including

the sucker, and the money was returned to her."

Mrs. Loikits said the woman, who had a small child with her, was so happy that she started to cry again, and after thanking Mrs. Loikits, left before she could get her name.

Mrs. Loikits, resides with her

husband, Raymond, and their two children at 1325 Walcott avenue, St. Joseph. She has been employed by Berrien Fifth District court for the past three years.

Union Schedules Strike Vote Sunday

Whirlpool Contract Rejection Recommended

Members International Association of Machinists of Local 1918 of the (IAM) this Sunday will vote on whether to accept or reject a contract with Whirlpool's St. Joseph division.

IAM's contract with Whirlpool expires May 7. Kepp said if the company offer is rejected, a strike vote will be taken Sunday.

Edward Kepp, IAM business representative, said the negotiating committee will recommend that members reject Whirlpool's offer of April 25.

Ron Statz, director of industrial and community relations for the St. Joseph division, said negotiating teams are "still talking, and making some

progress." He stated that negotiations were "not at a standstill."

However, Kepp said labor and management were "far, far apart" in regards to contract terms.

retirement pensions (work 30 years and then retire).

Kepp said the meeting for IAM members will be held at 2 p.m. at the Benton Harbor high school gym. IAM represents some 1,600 workers at Whirlpool's St. Joseph division.

He said the purpose of the meeting will be to report the progress in negotiations to

members.

In a statement to this newspaper, Kepp said:

"The company (Whirlpool) package is very inadequate. It is the opinion of the negotiating committee that the company's offer is far short of the people's need for the next contract term."

"The committee will recommend that members reject the

company's proposal and members cast unanimous strike vote in order to support the negotiating committee's position.

"It is our hope that an agreement can be reached by both parties before the May 7 expiration date. If not, I don't know what will happen."

Kepp said that after the Sun-

day meeting, one week would be left for bargaining talks, and the company's final package would be resubmitted to IAM members on May 6 for a final acceptance or rejection vote.

He said to date there have been 29 meetings between union and Whirlpool officials to try and come up with a contract acceptable to both sides.

Both Kepp and Statz declined to predict what might happen in future talks, with Kepp stating he didn't know what would happen, and Statz noting: "I don't like to predict the outcome of contract negotiations."

In 1970, IAM members struck the St. Joseph division from May to October—the longest strike in Whirlpool history.

Longtime BH Classmates Are Honor Students

Two Benton Harbor high school seniors, who have been classmates since second grade in the Benton Harbor system, are valedictorian and salutatorian of the class of 1973, Principal Roderick Halstad announced.

Douglas Nettleton, son of Atty. and Mrs. James Nettleton, 898 Sierra drive, is valedictorian. Salutatorian is Jeff Hughes, son of Judge and Mrs. Julian Hughes, 176 Higman park.

Nettleton's grade point average is 4.222 out of a possible 4.266. Hughes has an average of 4.220 out of a possible 4.268. The averages are higher than the usual 4.0 because both students take honors courses which carry higher averages.

Nettleton and Hughes first became classmates in the second grade at Lafayette school. They then attended North Shore elementary, Hull junior high and wound up this year as No. 1

DOUGLAS NETTLETON
Valedictorian

JEFF HUGHES
Salutatorian

and 2 academically at BHHS.

Nettleton is a member of Mu Alpha Theta mathematics honorary, the National Honor society, plays in the symphony band and is captain of the tennis team. He plans to attend University of Michigan next fall and later enter law school.

Hughes also is a member of Mu Alpha Theta, a member of Key club and plays in the symphony. He plans to continue as a classmate of Nettleton — U of M for undergraduate work and then law school.

WHFB Newsman Award Winner

Jack Kelly, a WHFB radio newsman, was presented a first place award last night in Lansing for a documentary series entered in a Michigan Associated Press competition.

Kelly received the award from Governor William Milliken for a broadcast series entitled "Divorce in Berrien county."

The series, a 10-part report was aired on WHFB during the newscast for two weeks and featured interviews with Berrien Circuit Judge Chester J. Byrns and Atty. Seymour Zaban of Benton Harbor.

The judge and lawyer explained the "ins and outs" of the divorce scene in Berrien county and covered the subject from payment of child support to emotional difficulties associated with the legal separation.

The 10-part report was the result of about three weeks of interviews, research and study of statistics. Kelly said it was aimed at dispelling some misconceptions about divorce locally, and not to promote or condemn it.

Kelly, 30, has been on the broadcast staff of WHFB for the past eight years.

CAST OF SERIES: WHFB Newsman Jack Kelly (left) chats with Circuit Judge Chester J. Byrns (center) and Atty. Seymour Zaban, who were expert sources on 10-part documentary series, "Divorce in Berrien County". Series won first place in Michigan Associated Press radio competition. (Staff Photo).

END OF AN ERA: Arkie Chin, owner of Hung Fong restaurant in downtown Benton Harbor, and assistant Mrs. Dottie Thompson, prepare pork for chop suey. Chin will close restaurant on Sunday evening after 54 years in Benton Harbor. (Staff photo)

Landmark BH Chinese Food Center Closing

BY SCOTT WILLIAMSON
Staff Writer

On Sunday at 7 p.m. a Chinese dynasty will come to an end in Benton Harbor.

At that hour 74-year-old Arkie Chin will close the door of the Hung Fong restaurant at 165 East Main street for the last time.

The Hung Fong has been a Main street landmark for 54 years, first located at 207 Main near the Vincent hotel, across from the Liberty theater.

Its owners moved the restaurant to its present site in 1946.

Owner Chin explained that the current health department license under which the restaurant operates expires on April 30, and the money needed to make required repairs is not available. He said the health officials stated the restaurant needed a new exhaust system, new overhead stove hoods, and removal of false ceilings in the kitchen.

Chin and his chief assistant, Mrs. Dottie Thompson of St. Joseph, also cited lack of customers, as another prime force in the closing.

Chin, however, said he is

"closing temporarily" until he can possibly find another location.

Chin was hospitalized several weeks last winter when he was severely beaten during a strong-armed robbery at the restaurant.

Some of the most popular items on the menu include home-made egg rolls, pepper steak, sweet and sour pork, shrimp and fried rice, Cantonese-style chop suey, and a Hung Fong special made from beef, green pepper, tomato, garlic and bean sauce.

Mrs. Thompson said more of the business is from take-out orders than in-store patrons.

Chin came to the U.S. from Hong Kong in 1938, and after a short stay in Indianapolis, moved to Benton Harbor where he was hired as a cook for Hung Fong. At that time the establishment was owned by Joe and George Jeon.

Chin bought out their interests in 1958 and has run the restaurant since.

He noted at one time the restaurant employed six waitresses and four cooks, whereas now he is the only cook, there is one waitress, and Mrs. Thompson works as cook-waitress.

Calf On Loose In Benton

Benton township police Friday were alerted to be on the lookout for a calf, wandering in the area of Meadowbrook road, near Park road.

The calf, described as three months old and black, except

for two white hind legs, was reported missing by its owner, Mrs. John Robinson of Meadowbrook road. Police were told the calf was wearing a halter and dragging a chain.

Mrs. Robinson said the woman explained that she and her husband had been separated and the German Shepherd had been gone from home about two weeks.

The discarded jacket over which the dog was keeping watch was her husband's. Mrs. Harness said their three boys were happy to have the dog returned.

Mrs. Harness who lives on Valley View drive, Benton township, discovered the dog keeping watch by a pile of rubble off Old M-139. She informed this newspaper and a picture of the dog was published Wednesday.

MASTER'S JACKET

Dog's Mysterious Vigil Explained

The mystery vigil of the German Shepherd has been solved.

Mrs. Herb Harness, who discovered the dog last week near her home, said a woman claimed the German Shepherd Thursday.

Blasts Newsmen

PHNOM PENH, Cambodia (AP) — The Cambodian government accused some foreign newsmen Friday of being "deliberately alarmist" in reporting that Phnom Penh is blockaded, encircled and at the point of strangulation by the enemy.

Mrs. Harness said the woman explained that she and her husband had been separated and the German Shepherd had been gone from home about two weeks.

The discarded jacket over which the dog was keeping watch was her husband's. Mrs. Harness said their three boys were happy to have the dog returned.

PRESIDENT U-M Student Union Chooses BH Man

The board of directors of the Michigan Student Union at the University of Michigan, Ann Arbor, has announced the selection of Robert Gerlach, a U-M senior from Benton Harbor, as its new president.

As president, Gerlach, son of

Mr. and Mrs. Robert Gerlach, 816 Allen drive, Benton Harbor, will be presiding over board meetings and working closely with the Union's manager-director and his staff.

Gerlach has been active in the Alumni association, and has participated for several years in the Student Governors association, a group concerned with increasing the contact between alumni and students.

The Michigan Union, began in

Five Die In Fire

SWINDON, England (AP) — A family of five died Saturday in a fire that swept through their house in seconds.

St. Joe Seniors Will Hear Attorneys

In connection with Law Day activities, Berrien county lawyers will speak to seniors at St. Joseph high school Tuesday.

Attorneys will address their remarks with a view toward instilling a respect for law and the important role that law plays in American society, according to Atty. Michael Cook, general program chairman.

ROBERT GERLACH

1964, was the first student union in the nation. The present-day structure was built between 1916 and 1920.

To Hear GM Official

A discussion on air cushion restraint systems for cars, the General Motors experimental safety vehicle, and a new device for detecting the drinking driver will highlight the May 1 meeting of the American Society of Mechanical Engineers, St. Joseph Valley section.

Speaking on "Progress Towards Improving Traffic Safety" will be Dave Martin, assistant director of automotive safety engineering for GM.

The meeting will be held at the Niles Holiday Inn, with social hour at 6 p.m. and dinner at 6:30.

Atty. James Straub said 12 lawyers will work in six two-man teams.

Lawyers participating at are James Ford, Stephen Docter, Wilbur Schilling, Donald Bleich, David Peterson, John Smietanka, James Droeg, Seymour Zaban, Jack Strwin, S. Jack Keller, Peter Johnson and Stephen Small.

Townships Outline Major Projects

Road Work Scheduled Throughout Berrien

BY BILL RUSH
Staff Writer

Berrien county's 22 townships have authorized the county road commission to begin construction projects on a number of local roads this year.

Road construction priorities were outlined to the road commission by township representatives in a series of recent meetings at the commission office in Benton township.

Last year, the road commission spent \$789,000 in maintaining the county's 970 miles of secondary roads and more than \$200,000 in construction. Another two million went last year for the county's 470 miles of primary roads.

For the local road construction projects this year the county road commission will match each township up to the first \$7,500 of costs.

The budget allocation this year for local roads is not yet available, Heath Calvin, road commission engineer-manager,

said. If the two-cent gasoline tax is knocked out, there could be a loss of \$500,000 for the road commission, but if it stays there could be more funds than last year, he explained.

Roads scheduled for grading and graveling (first year construction) are:

Bainbridge township: Randall road from Sells to Meadowbrook roads and Pipestone Lake drive from Meadowbrook road north to the lake.

Coloma township (jointly with Hagar township): Carter road from Red Arrow highway to Carmody road.

Lincoln township: Ridge road south of Marquette Woods road and Rocky Weed road from Washington to Lincoln avenues.

Weesaw township: Holden road from Elm Valley road to Warren Woods road.

Niles township: 13th street from Ontario to Bertrand road.

Bertrand township: Lake Depot streets and Buffalo road from

Sage to Spirea road.

Roads designated for seal coating or double seal coating (second year construction) are:

Berrien township: Long Lake road from US-31-33 to Jones road.

Chikaming township: Elm Valley road from Schwark to Three Oaks road.

Buchanan township: Miller road from North Main street to Redbud trail, and West Clear Lake road from Warren Woods road to Wagner trail.

Galen township: Rickerman road from Buffalo road to US-12.

Weesaw township: Lake and Maple streets from Wee-Chik to California road.

Benton township: Greenley avenue from south end of present seal coat about 695 feet, Waukonda avenue from Woodland east to the end of the subdivision, and Eastland avenue from Crystal avenue to Pack street.

Watervliet township: Florence and Stanley from Forest Beach road to Paw Paw avenue.

Bainbridge township: Morgan road from Empire to Meadowbrook road, and Michael road from Meadowbrook road to the township line.

Other projects include:

Baroda township: paving of Singer Lake road from Snow road to the township line, and Singer Lake Spur from Singer Lake road to Singer lake.

Lincoln township: redesigning the intersection of Marquette Woods road and Ridge road.

Benton township: bituminous concrete surface on Woodland avenue from Waukonda avenue north to the end of the road, and Highland avenue from Fair to Crystal avenue.

The majority of projects will be completed this year unless the gas shortage becomes too severe, Calvin said.

Milliken To Get 'Wire Of Confidence'

LANSING, Mich. (AP) — Some 30 Republican state legislators are sending Gov. William Milliken a "vote of confidence" in the form of a telegram.

The lawmakers said they are concerned that recent news stories could "hamper" Milliken's leadership.

"We assert our faith and trust in you as a gentleman of great integrity and as a governor of

great ability," the legislators planned to say in a telegram Sunday to Milliken.

The telegram will be signed by 24 representatives and six senators, said Rep. Dale Warner, R-Eaton Rapids.

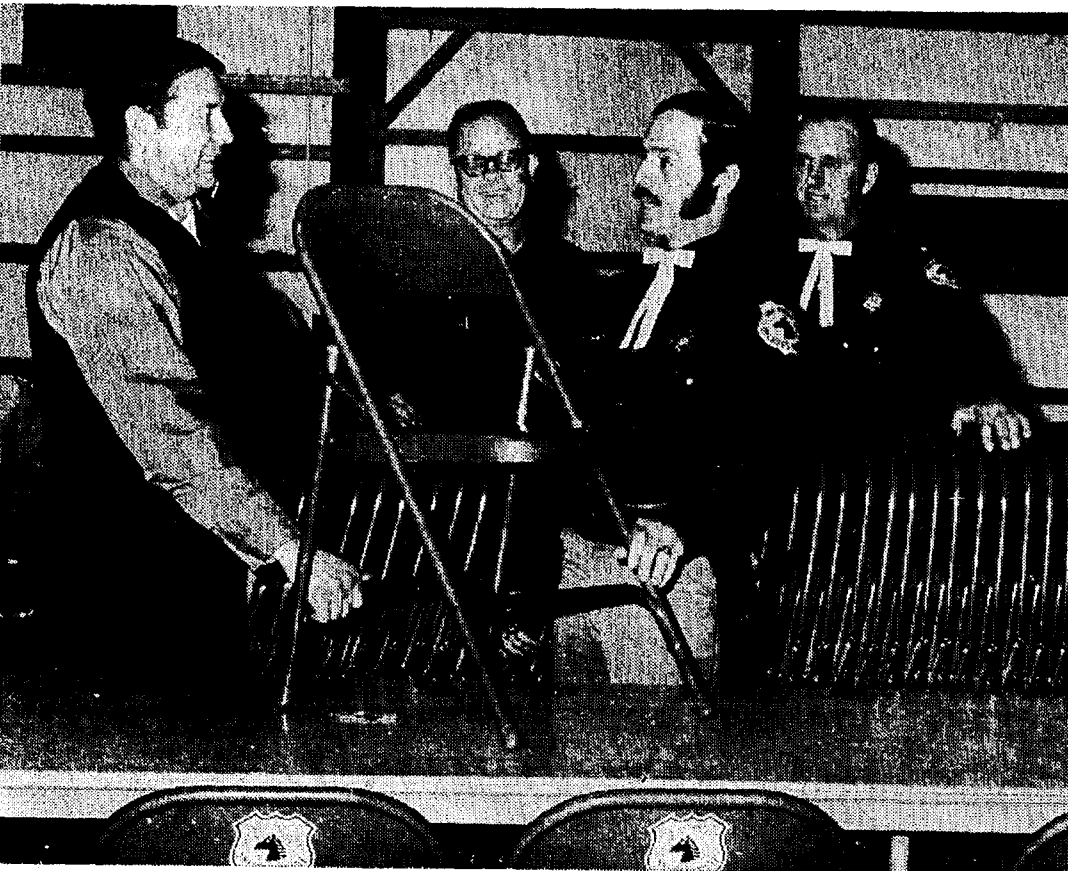

"This telegram was conceived and put together with only limited time available and, because the legislature is not in session we were not able to reach everyone," said Warner, explaining why only 30 of the state's 59 GOP lawmakers signed the telegram.

Warner said he believes Milliken "is one of the most able and sincere men in public life today, and his dedication to serving the public goes far beyond any political ambitions."

Recent news accounts disclosed that a woman on his staff was paid over \$18,000 for doing practically nothing and implied her job was a political payoff for support in from then state Rep. James Del Rio in the 1970 election.

Donald Gordon, Milliken's trusted friend and confidant, later took "full blame" for a deal that led to the woman's hiring. News accounts then disclosed that Gordon had been paid \$6,000 a year from the governor's personal fund at the same time he got \$19,000 as a consultant to three large utilities.

Subsequent news stories raised questions about possible conflicts of interests in the governor's office and elsewhere in state government.

FAIRGROUNDS GIFT: Chairs, carrying carts and tables valued at over \$600 were presented to Van Buren county fair board by Van Buren Sheriff's Posse. Accepting chair is Duane Castor of Covert, left, president of fair board, from Carl Davis of Keeler, secretary-treasurer of posse. At rear are M.J. Conklin of Lawrence, left, vice

president of fair board, and Leo Backman, South Haven, captain of sheriff's posse. Money for purchase was raised by posse in country and western show last fall. Men also donated wages earned working at county fair at Hartford last year. (Righter photo)

Offer Free Measles And Polio Shots

The Berrien county health department will begin offering free immunizations for two types of measles and polio starting Monday at most Berrien county schools.

Immunizations are expected to take two to three weeks and will include the offer of "hard" or red measles and rubella (German measles) immunizations at elementary schools; red measles immunizations only at junior and senior high schools; and one dose of oral polio vaccine in both elementary and secondary schools, according to Mrs. Harry (Beverly) Sanford, immunization coordinator.

The health department recently completed a measles-rubella immunization program in Benton Harbor, St. Joseph and Coloma schools as a result of a measles outbreak in the three systems, according to Dr. Robert P. Lacey, director. Immunizations are being offered to other schools to avoid any county-wide spread of either measles or rubella, he added.

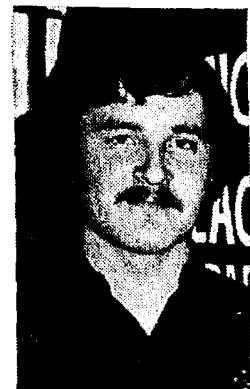

Coloma Class Leaving For Washington

COLOMA — Fifty-five Coloma high school seniors will leave Monday for Washington D.C. on the annual senior trip.

Senior advisor Ronald Drum and Mrs. Victor Wier, high school principal, will accompany the group, which will tour the White House, Capitol building, Library of Congress and other attractions.

Travel will be by school bus to Grand Rapids, commercial airliner to Washington. The tour group is scheduled to return Wednesday night.

WINNING POST
LANSING, Mich. (AP) — The 13-post Marquette State Police District won the department's fleet safety contest for 1972. State Police announced Friday.

FIRE CHIEF: John Haak of Hagar Shores has been elected chief of Lake Michigan Beach fire department of Hagar township. Other officers are Larry Ulleg, assistant chief; Bill Ulleg, captain; Wayne Prescott, lieutenant and Rick Maritz, sergeant-at-arms. Elected to board of directors were Stanley Knuth, president; Robert A. Martin, vice president and Alan DePriest, secretary-treasury. (Cliff Stevens photo)

Triple Honors For Coloma Cadet

Cadet Christian S. Vieweg, a 1970 honors graduate of Coloma high school, has been named to all three top honors lists at the U.S. Air Force Academy, Colorado Springs, Colo.

They are the Dean's List—for academic excellence, the Com-

mandant's List—for outstanding military performance, and the Superintendent's List—for the limited number of cadets who make both the other lists.

The Superintendent's List carries with it the award of a silver star and wreath emblem worn on the honored cadet's uniform.

Vieweg, a member of the Academy Class of 1974, has also distinguished himself in extra-curricular activities. He was recently put in charge of a special group of 12 cadets who will attend the British Commando Parachute School in England this summer.

He is also a member of the U.S. Air Force Academy Flying Team which will participate in the U.S. National Championships at Carbondale, Ill., the first week in May.

Vieweg already holds his U.S. Paratroop Wings and an F.A.A. Commercial Pilot's License. He won the latter at the age of 18 before entering the academy.

He is the son of Mr. and Mrs. Robert S. Vieweg of Coloma.

CHRISTIAN VIEWEG

Must Await Completion Of Appraisals Parks Group Barred From Price Talks

The Berrien county parks and recreation commission (PRC) won't know the price of the 214-acre St. Joseph river "Oxbow" it hopes to buy in Royaltown township for several months.

William Gebhard, county parks coordinator, said the PRC is barred from discussing price with owners Harry Zick of Stevensville and Harry Bilton of Royaltown township until two appraisals are finished as part of a request for federal funds.

The PRC by resolution this week voted to apply to the federal Land and Water Conservation fund for a 50 per cent matching acquisition grant to buy the Oxbow. The fund procedure calls for PRC to obtain appraisals after applying for the grant. The PRC can't discuss price with Zick and Bilton until fund authorities—including the state Department of Natural Resources—review the appraisals.

The owners have indicated a willingness to sell, Gebhard said.

The Oxbow, a bend in the St. Joseph river east of John Beers

road in Royaltown township, is farmland and unimproved land that the PRC is eyeing for low-cre development and use for fishing, hiking, picnicking, etc., along its two-plus miles of river frontage.

"It's definitely not being considered for heavy, prolonged use such as overnight camping, or intensive use such as a recreation center," Gebhard said. "The idea is to keep it in a use similar to the Riverview park of the City of St. Joseph and not like the heavy-use facility at Warren Dunes."

"The PRC wants more of a family-type park."

Gebhard added the site is centrally-located in Berrien county and easily accessible. And it falls in the high-priority section of the county park and recreation plan approved by the PRC May 21, 1970. It's high priority because it's floodplain, unsuitable for heavy development yet offering much river frontage and therefore much water-based recreation, Gebhard said.

He noted the public will have a chance to sound off on the proposed Oxbow parksite at PRC public hearings in advance of PRC adoption of a development plan.

"This is a requirement of PRC policy and something the PRC wants to do," he added. "Very definitely they want the park to serve the needs and wants of local citizens."

Also Thursday, the PRC: —Heard a Berrien prosecutor's opinion that the \$7,500 the PRC recently donated to

Canamer games cannot be contributed because county commissioners limited the use of certain funds donated to PRC to parkland acquisition, development and maintenance.

However, Prosecutor Ronald Taylor's opinion holds the contribution could be made "by a resolution of the county board (of commissioners) from the general fund."

—Okayed a resolution to raze the top floor—a snack bar and lavatories—of the two-level concession stand at Rocky Gap park north of Benton Harbor. It was estimated at least \$7,000 would be required to repair its poor condition. The razing would leave rooms on the bottom floor for caretaker equipment storage.

—By resolution asked nurseries to bid on supplying and planting 6 to 8 trees at Rocky Gap north of the concession stand.

—Authorized Gebhard and a PRC member to attend a park

and recreation conference May 5-6 in Troy.

—And by resolution asked county commissioners to keep Gebhard, a federally-paid Emergency Employment Act employee, on the EEA payroll as

long as possible and later on the county payroll. EEA phases out June 30, 1974.

Grieger Will Head New Buffalo Lions

Edward Grieger has been elected president of the New Buffalo Lions club. Elected first, second and third vice presidents, were, respectively, George Calnin, Jack Stone and Laddie Kramelbauer. Other officers are Charles Sebring, treasurer; George Ghareeb, secretary; Carl Krieger, tail twister; and Joseph Balsanek, lion tamer.

EDWARD GRIEGER

Zoning Variance Sought For \$150,000 New Buffalo Theater

NEW BUFFALO — A theater being proposed in New Buffalo at the corner of US-12 and Harrison street is to have seating for 250 and cost about \$150,000, to build.

George Calnin, one of the three partners in CKF Enterprises which is seeking city approval for construction, said the owners hope to have the theater in operation by this summer.

If carried out, the theater would be the first in the city in years and the fifth new show constructed in Berrien county in the last year.

The firm sent out a questionnaire to residents before submitting its plan to the city.

Principals in the firm, in addition to Calnin, are Gordon Kissman and Kenneth Freehling. Kissman is also owner of Construction Advisors of Portage, Ind. The Portage firm is to construct the theater.

The firm asked the city to grant a variance in zoning requirements on the site to clear the way for the project. A public hearing on the request is to be held May 10, by the city council.

Berrien Court Gives 18 Sentences

Six persons demanded examination and 18 were sentenced Friday in Berrien Fifth District court.

Three Michigan City, Ind., men demanded examinations on charges of larceny from a building, involving the theft of a television set from the Fireside Motel in New Buffalo township, Friday. All were lodged in the county jail in lieu of \$2,500 bond each. They were: James L. Miller, 28; Melvin L. Stone, 22; and Frank W. Moore, 24.

Others demanding examinations were:

Bennie J. Kimble, 33, of Gary, Ind., on a charge of carrying a concealed weapon in a motor vehicle in Royalton township, Friday. He was released on \$500 bond.

Sam Holland, 38, of Detroit, on a charge of unlawfully driving away an automobile from Goldblatt's tire center, last Dec. 26. He was released on \$1,000 bond.

Virginia L. Sanders, 22, of Route 1, Eau Claire, on two counts of assaulting a police officer in Benton township, Thursday. She was released on \$4,000 bond.

The following persons have been sentenced in Fifth District court:

Ellis Johnson, 42, of Sodus, 90 days in jail for drunk and disorderly. It was his 25th conviction for drunk and disorderly since February of 1969.

Henry M. Beaman, 20, of 601 Edwards, Benton Harbor, 30 days in jail for malicious destruction of property — breaking a car window belonging to Ladell Jones in Benton Harbor, April 15. He was also sentenced to 30 days in jail for violation of a condition of probation from a prior offense, by failing to make payments on a previous sentence.

James Johnson, 17, of Hamilton, fine and costs of \$120 or a maximum of 30 days in jail for petty larceny involving the theft of \$40 from a Sodus township gas station, Friday.

Vales Crossley, 67, of 406 High street, Benton Harbor, fine and costs of \$76 for failure to stop for a school bus in the process of unloading passengers.

Virginia L. Sanders, 22, of Route 1, Eau Claire, fine and costs of \$120 for petty larceny involving the theft of two pairs of slacks from Goldblatt's, Thursday.

Edward Kunst, 67, of 1753 East Ogden, Benton Harbor, fine and costs of \$50 for leaving the scene of a property damage accident.

Robert Kizer, 32, of 1007 Buss avenue, Benton Harbor, and Ruby A. Horton, 51, of 1007 Buss avenue, Benton Harbor, fine and costs of \$40 each for assault and battery against Jane Moore in Benton Harbor, Jan. 21.

Leonard Edwards, 55, of 399 Brunson, Benton Harbor, 30 days in jail with day parole, plus fine and costs of \$250 and one year probation for driving under the influence of intoxicants involving an accident. It was his second arrest for driving under the influence of intoxicants.

Paul A. Thweatt, 44, of 1414 Morton, St. Joseph, three days in jail plus fine and costs of \$100 and two years probation for driving on a suspended license.

David Newton, 19, of 2648 Lincoln avenue, St. Joseph, fine and costs of \$50 plus two years probation for malicious destruction of property.

Ezekiel W. Gadhery, 24, of 281 Madeline, Benton Harbor, fine and costs of \$200 plus two years probation for unlawful use of marijuana reduced from possession of marijuana in Benton township.

Larry R. Sarters, 23, of Edgewood court, St. Joseph, fine and costs of \$200 plus two years probation for unlawful use of marijuana reduced from possession of marijuana in Benton township.

Gerhard Binder, 23, of 1652 Pearl street, Benton Harbor, fine and costs of \$200 plus one year probation for unlawful use of marijuana reduced from possession of marijuana in Benton township, March 28.

Johannie Cloman, 50, of 1063 Pavone, Benton Harbor, fine and costs of \$100 plus two year probation for reckless driving.

Corda M. Lowe, 54, of 1189 Highland avenue, Benton Harbor, fine and costs of \$120 for petty larceny, involving the theft of three packages of tobacco from Hilltop Foods.

John F. Michalski, 51, of New Troy, fine and costs of \$100 for

SHOT: Vittorio Olivares, an Italian employee of Israeli airlines El Al in Rome, was shot and killed in the Italian capital Friday night by a Lebanese identified as member of the Black September organization. (AP Wirephoto)

reckless driving.
Edith M. Petters, 76, of 169 Orchard lane, Benton township, fine and costs of \$76 for failure to stop for a school bus in the process of unloading passengers.

(Continued from page 2)

Benton Harbor School district. What I admired most in this particular letter was the way in which these groups manipulated words and phrases. With a few minor changes someone could very well have written this letter opposing fragmentation. I'm sorry, these groups seem to feel this represents "educational improvement for all."

I quite agree with these groups when they state, "the issue at stake is a high quality and safe educational system." The Benton Harbor School district has been making great strides in these areas. However, I get the impression that, for these groups, no matter what improvements are made they will never be enough for them. It could be they believe they are helping develop this "educational system" by voting NO in every millage campaign.

This letter also states "We feel that the record of the present board, reflects a sensitivity for all students of the district." I would like to modify this statement somewhat to read: We, the so far silent majority, feel that the record of the present board reflects a sensitivity for all students so long as they are represented by those groups wishing to leave the school district.

In reference to "emotionalism" and "threats," I must admit these are all too human failings. I am sure I heard a little emotionalism being used by the Sodus petitioners Tuesday evening in Berrien Springs. Regarding "threats" I am sure I heard a little when this group mentioned they would never approve any millage request for the Benton Harbor district.

"I regret to see the allegations and unfortunate public reactions of people who feel that the only right way is their way, and thereby doing the same things they are accusing others of doing." I must confess that the above statement is taken from this group's letter, it seemed to fit them also.

In conclusion I would like to use another statement made by these groups. "If equal rights is the name of the game, then let's give all the people of the district an opportunity to work and vote for what is rightfully theirs, a good and safe educational system for all children."

LEGAL NOTICE

NOTICE IS HEREBY GIVEN that the Planning Commission for the Township of Royalton, Berrien County, Michigan, will hold a public hearing at 7:30 p.m. on Tuesday, May 22, 1973, at the Township Hall in said Township as to whether Article II, Area Requirements, Section 201 of the Royalton Township Building Ordinance shall be amended to read as follows:

Section 201. Every single family dwelling hereafter erected shall contain an area of not less than Nine Hundred Sixty (960) square feet of first floor space. Every two-family dwelling hereafter erected shall contain an area of not less than One Thousand Four Hundred Forty (1,440) square feet. And also whether under Article V, General Provisions, the following shall be added: Section XVIII—Road Ditch. Builders shall be required to preserve the road ditch along the road right of way and tubes shall be installed along the driveways, where it is determined by the Road Commission responsible that same are needed, at the time of construction.

Section XIV—Ingress & Egress. Before a Building Permit is authorized in Royalton Township for other than single family or duplex construction, a permit from the Road Commission responsible as to ingress and egress, if same is to be altered or established, shall first be obtained by the builder.

And also, as to whether paragraphs A, B and C of Article XI, Building Permit, Section 1101 of the Royalton Township Zoning Ordinance shall be amended to read as follows:

A. No fee shall be charged where the estimated cost of the work to be done is Fifty Dollars (\$50.00) or less.

B. For residential and farm structures a minimum fee of Five Dollars (\$5.00) shall be charged where the estimated cost of the work to be done is at least Fifty Dollars (\$50.00), but not to exceed One Thousand Dollars (\$1,000.00), with an additional fee of Two Dollars (\$2.00) for each additional One Thousand Dollars (\$1,000.00) estimated cost thereafter.

C. For commercial or industrial structures a minimum fee of Ten Dollars (\$10.00) shall be charged where the estimated cost of the work to be done does not exceed One Thousand Dollars (\$1,000.00), with an additional fee of Four Dollars (\$4.00) for each additional One Thousand Dollars (\$1,000.00) estimated cost thereafter.

At the above time and place all parties interested will be given an opportunity to be heard.

TAKE FURTHER NOTICE that this Board has tentatively declared its intention to make such improvement and tentatively designated the above-described premises as a special assessment district against which at least a part of the cost of said improvement is to be assessed.
TAKE FURTHER NOTICE that this Board has caused to be prepared plans showing the improvement, the location thereof, and an estimate of the cost thereof, which have been filed with the Lincoln Township Clerk for public examination.
PUBLIC NOTICE IS HEREBY GIVEN that this Board will meet on Thursday, the 3rd day of May, 1973, at 7:30 p.m. (Michigan time), at the Lincoln Township Hall, Stevensville, Michigan, to hear objections to the petition, to the improvement, and to the special assessment district therefor.
Bernice Tretheway
Lincoln Township Clerk
Apr. 21, 28, 1973 N.P. & H.P. Adv.

There really is an end of the rainbow.
It's not the gold-filled-pot variety, and it's not something-for-nothing.
But join the Payroll Savings Plan and see what we mean. Automatically, an amount you specify is withheld from your paycheck and used to buy U.S. Savings Bonds.
You'll be surprised how much you can save. It's like the end of the rainbow because when the Bonds mature you have all that you've saved, plus interest.

The Payroll Savings Plan makes the end of the rainbow more than just a dream.

Buy U.S. Savings Bonds through the Payroll Savings Plan. It's a practical way to put hard cash at the end of the rainbow.

Now U.S. Bonds pay 5 1/2% interest when held to maturity of 5 years, 10 months (4% the first year). Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.

Now Bonds mature in less than six years.
